

## Product Information

### QUANTUM BIO-PURE

Stock #  
84211Q

**EPA Registered No. 1839-220-94649**

**Description:** Quantum BIO-PURE is an product effective against odor-causing bacteria, germs, mold, mildew and viral pathogens.

**Key Points:**

- Ready To Use
- Orange Scent
- Clear Color

**Features:** In regards to the 2019 novel coronavirus (SARS-CoV-2), which caused the recent outbreak of respiratory illness first detected in Wuhan City, Hubie Province, China and continues to expand globally, EPA has confirmed that the 2019 novel coronavirus (SARS-CoV-2) has met the conditions outlined in EPA's emerging viral pathogens guidance and has triggered the emerging viral pathogen policy.

This Product does not currently have the emerging viral pathogen claim on the master label. However, it does meet the criteria required to qualify for the emerging viral pathogen claim. We have made the submission to EPA to add the emerging viral pathogen claim on this product's master label. We have followed the EPA's guidance on expediting emerging viral pathogens claim submissions.

**How To Use:**

- **GENERAL CLEANING:** Spray soiled area then wipe with a dry paper towel or lint-free cloth.
- **DEODORIZING:** Hold sprayer six to eight inches from surface to be treated. Spray area until it is covered with the product. Allow surface to remain visibly wet for 10 minutes. No scrubbing necessary. Allow treated surfaces to air dry or wipe off with a clean cloth.

**Labor time:** • 5 minutes

**For Best Results:** Consult your Safety Data Sheet for details on safe handling and use procedures.
